## TOURISM PROMOTION

The function of this office in tourist promotion is to distribute pamphlets and literature outlining the various tourist attractions of the Province of Alberta, loan tourist films to interested groups if requested, keep the various local travel communication media and travel agents informed of the tourist attractions on the Province and otherwise perform the function of encouraging people to vacation or travel to Alberta.

The literature we distribute and the films we have available for showing as stated previously, contain information on the various tourist and sporting activities in the Province of Alberta. They are designed to encourage the reader or viewer to consider Alberta when planning their vacation destination.

## INDUSTRIAL DEVELOPMENT PROMOTION

Our efforts in this regard consist of encouraging American firms to consider the distribution of their products in Alberta, the possibilities of having their products manufactured under license in Alberta, or the establishment of a branch office or plant in Alberta through joint venture with another Alberta company or through its own efforts. These companies are sought out at trade shows, seminars, word-of-mouth and referrals. Often American companies seek us out.

## TRADE PROMOTION

Under this category, this office is interested in arranging the sale of products made in Alberta to local buyers. In this regard, our office works in conjunction with the local Canadian Consulate and Trade Commissioner's office. In addition, this office acts as a point of contact or liaison between companies and parties, both private and government in Alberta and California. We assist Alberta companies in choosing appropriate trade shows to either view or exhibit their product.

A detailed review of these activities for the last six months follows.
